

## Special Events

**Photo Contest:** Bring photos of your cat(s) to enter in the Garfield Awards. (No professional photographs please. While you may claim your photos at the end of the contest, please remember we will be taping or pinning these up for exhibition.) You may enter up to five photographs per person. Spectators will vote on the exhibitors' photographs and exhibitors will vote on the spectators' photographs. Two prizes will be awarded in each category – one for the exhibitor winner and one for the spectator winner. Submissions may be made any time during the show contest, but the sooner you enter, the more votes you can get. The contest will close at 2 pm on Sunday and the winners will be posted as soon as votes are counted.

**Meet the Breed Presentation:** We are looking for exhibitors who would be willing to do a half hour presentation at noon on both Saturday and Sunday for the public. This would be in a classroom style presentation in which you would tell a little about your cat, the history of the breed, special characteristics of the breed, and anything else you would like to share. It would be an opportunity for the spectators to interact with a breed of cat they might be unfamiliar with or would just like to learn more about. If you are interested in participating, please indicate that on your entry form and we will draw names from those people. If you are selected, you will be notified before the show.

**Make It/Take It Cat Toys:** We will be conducting a make it/take it cat toy class both days of the show. There is no charge for this class. If exhibitors would like to participate but are unable to because of the judging schedule, you may pick up a kit for making the toy at the registration table after the event.
